ALI'IOLANI ELEMENTARY SCHOOL

March 27, 2026

Aloha Ali'iolani Elementary 'ohana,

We would like to share that beginning April 2, our school will be welcoming students and teachers from Hōkūlani Elementary School's grades 3-5 to our campus for the remainder of the school year.

Hōkūlani's campus was impacted by recent flooding in Mānoa and is currently undergoing repairs and cleaning. We are grateful for the opportunity to support their students and staff during this time.

Hōkūlani students will remain with their teachers while on our campus. Our school will continue to operate as usual, and we are working closely with Hōkūlani to ensure a smooth and positive experience for all students. We have coordinated carefully to ensure that space, supervision and daily operations will continue to support all students effectively.

We appreciate your understanding and support as we come together to extend aloha to our neighboring school community.

Mahalo,

Jennifer Ichiyama-Bangan
