Dear Parents/Guardians.

Happy New Year! I am humbled and honored to inform you that I have been appointed as the new principal at Ali'iolani Elementary School. This is truly an amazing opportunity, and together we will be able to empower our students to make a difference in our society.

My professional career began at Mililani Ike Elementary School in SY 2003-04 as a counselor. In 2007 I became the counselor at Ali'iolani Elementary School, which continued until mid 2017. In late 2017, my formal administrative career began with my official assignment at Kawananako Middle School for one year. After that year, I returned to Ali'iolani and served as Vice-Principal until last week.

The reason I've stayed at Ali'iolani for so long is because I truly love this school. The students, parents, teachers, and the community are second to none. There is something very special about Ali'iolani, and my goal is to help carry out our mission in making this a school that provides a supportive environment that truly values living, loving, and learning.

If you have any questions, please feel free to contact me at 733-4750.

Sincerely,

Tim Hosoda
Principal
Ali'iolani Elementary School
